

INTERGOVERNMENTAL AGREEMENT
BETWEEN
THE STATE OF ARIZONA
DEPARTMENT OF TRANSPORTATION
AND
THE THREE POINTS FIRE DISTRICT

THIS AGREEMENT is entered into January 9, 2000,
pursuant to Arizona Revised Statutes, Sections 11-951 through 11-954, as amended, between
the STATE OF ARIZONA, DEPARTMENT OF TRANSPORTATION, acting by and through its
Equipment Administrator (the "DOT") and THREE POINTS FIRE DISTRICT, acting by and
through its Board of Directors (the "TPFD").

I. RECITALS

1 The DOT is empowered by Arizona Revised Statutes Section 28-401 to enter into this agreement and has by resolution, a copy of which is attached hereto and made a part hereof, resolved to enter into this agreement and has delegated to the undersigned the authority to execute this agreement on behalf of the DOT.

2 The TPFD is empowered by Arizona Revised Statutes Section 48-801 to enter into this agreement and has resolved to enter into this agreement and has authorized the undersigned to execute this agreement on behalf of the TPFD.

3 The TPFD has a requirement for motor vehicle fuel statewide. The DOT has fueling facilities statewide, as shown on Exhibit A, which is attached hereto and made a part hereof, and has agreed to provide fuel for TPFD vehicles.

THEREFORE, in consideration of the mutual covenants expressed herein, it is agreed as follows:

=====

II. SCOPE

1 The State will:

a On a "self-service" basis provide fuel to the TPFD vehicles at DOT facilities statewide.

b. No more often than monthly, invoice the TPFD with an itemized statement for fuel dispensed at the prevailing dispenser price plus ten cents per gallon.

2. The TPFD will:

a. Provide the State with a list of authorized motor vehicles (by vehicle license number, type and fuel type) and operators, who shall observe all State rules, regulations and safety procedures while entering, refueling and leaving State fueling facilities.

b Establish an account through the statewide fleet card contract administered by the State Procurement Office (currently 01676AA), and, when applicable, utilize State fleet cards at State automated fuel sites. Insure State fleet cards issued to TPFD drivers contain encoded requirements necessary to interface with automated State fuel locations.

c. Comply with established procedures at ADOT locations with automated readers in place or ensure operators complete an ADOT "Fuel Withdrawal Card" (ADOT Form 23-9315) each time fuel is purchased at non-automated fuel sites.

d. In the event of CNG-equipped vehicles, insure compatibility of vehicle fuel nozzle receptacles with State fuel dispenser nozzles, obtaining adapters if necessary. Safeguard any CNG fueling facility access codes and/or keys.

e. Reimburse the State for the previous month's invoice for fuel within 30 days after receipt. Coordinate as needed with the State and be responsible for all costs associated with accidents or damages caused by TPFD vehicles to State property.

III. MISCELLANEOUS PROVISIONS

1. This agreement shall remain in force and effect until cancelled by either party or other competent authority. The State makes no representation as to the quantity or quality of the fuel offered for sale herein.

2. This agreement shall become effective upon execution by the parties hereto.

3. This agreement may be cancelled in accordance with Arizona Revised Statutes Section 38-511.

4. The provisions of Arizona Revised Statutes Section 35-214 are applicable to this contract.

5. In the event of any controversy which may arise out of this agreement, the parties hereto agree to abide by required arbitration as is set forth in Arizona Revised Statutes Section 12-1518.

6. All notices or demands upon any party to this agreement shall be in writing and shall be delivered in person or sent by mail addressed as follows:
